

# KDM PRODUCTS

---

Dear Valued Partners;

With the utmost safety in mind and in practice for our workforce, KDM remains open for business and committed to our partners during this time of crisis.

Hard decisions are being made by all in this unprecedented time. Keeping employees, their families, our community and our loyal customers safe is our number one priority. Illinois, Connecticut and Alabama Governments have required the pairing down to essential services this past weekend. KDM falls into the supply chain to the essential critical industries.

Accordingly, all three KDM facilities will continue manufacturing and delivering.

As this is a rapidly changing situation, we will closely monitor all aspects and update you as we have more information.

We thank you for your continued support. Please reach out to your sales representative should you have any further questions.

Sincerely,

Larry Newman  
President/CEO

Sue Bennett  
Director of Sales
